Application #1

We are the royal bride of the Heavenly King, who will soon conquer this world. **Divest ourselves of the thinking of this culture.** We belong to the King!

Our King is at war with our cultural practices and thoughts. He has come to rescue a warrior bride that is engaged with Him. Application #2 Are you engaged in prayer, in outreach, in service in war against our flesh, and the culture?

Letter to the Messianic Jews
[Hebrews] MJ 2.1-4

MJ 2.1-4 Therefore, we must pay much more careful heed to the things we have heard, so that we will not drift away. For if the word God spoke through angels became binding, so that every violation and act of disobedience received its

MJ 2.1-4 just deserts in full measure, then how will we escape if we ignore such a great deliverance? This deliverance, which was first declared by the Lord, was confirmed to us by those who heard him;

MJ 2.1-4 while God also bore witness to it with various signs, wonders and miracles, and with gifts of the Ruakh HaKodesh which he distributed as he chose.

1. Therefore
2. More careful heed
3. Not drift away
4. Through angels?
5. Ignore deliverance
6. GREAT deliverance.

Therefore, we must pay much more careful heed to the things we have heard

“**Therefore**” infers that we should see what the word is **there for**

Summary we just did:

at the right hand, called Son, Davidic dynasty, worshipped by angels, the Lord of light, the G-d of God and a warrior, lover, bridegroom; will outlast the created earth and universe

Stern: because he is God's Son and "much better than angels" (1:4, proved by 1:5-13), **Therefore**, we must pay much more careful heed to the things we have heard.

1. Therefore
2. More careful heed
3. Not drift away
4. Through angels?
5. Ignore deliverance
6. GREAT deliverance.

Ps 119.162 I rejoice in Your word,

Van Halen rock band

In the early 1980s rock band Van Halen had in their contract with each concert venue that they must have M&M candy in the dressing room, but it stipulated no brown M&Ms. Eddie Van Halen had a large and complicated stage show, one that demanded the attention of promoters and the people moving the band's equipment.

To ensure that those responsible for staging their concerts had thoroughly read about the many technical needs, band members inserted the M&M reference in their contracts as a test. If the candy wasn't right, they had reason to be concerned about similar inattention to serious issues like electricity and load stress.”

Army Jump Masters Conducting An Inspection Prior To A Jump. They Know Details Matter

Improvised Explosive Devices or IEDs posed a great threat to our troops who served in Iraq and Afghanistan. These explosive devices are hidden among the every day trash and debris found along the roads and trails that soldiers travel every day.

They must pay attention to the most minute detail; trash that does not belong, earth recently moved, tiny wires along the roadway. The results can be deadly if they miss the details.

House Hunters made HGTV history on Wednesday when it featured its first throuple—three people in a polyamorous romantic relationship—on one of its episodes.

Geli, Lori and Brian on "House Hunters"

Dr. Michael Brown: “For years we were vilified for saying that the redefining of marriage to include homosexual unions would soon lead to more radical redefinitions.”

The original husband and wife in this throuple have two children. As *People* reported, "Brian and Lori, who are legally married, fell in love with Geli after meeting her at a bar. The trio entered into a relationship with Brian and Lori exchanging vows with Geli in a commitment ceremony attended by their children."

There is also now “self marriage.”

Self-Marriage is a profound rite of passage into wholeness, trust, self-responsibility, self-liberation, and love sourced from within.

I am Dominique Youkhehpaz, the founder of Self-Marriage Ceremonies. I have guided hundreds of people into marrying themselves and am thrilled to offer Self-Marriage now in way that is globally accessible. I first facilitated Self-Marriage ceremonies for women at Burning Man in 2011.

It is a ritual of transformation,
of proclaiming what is true in
your heart and being
celebrated as you make it
known that you are ready to live
your full potential.

MJ 2.1-4 How will we escape if we ignore such a great deliverance?

Ignore

- Receiving
- Spreading, sharing, supporting, serving

Rev 6.15-17 Then the kings of the earth and the great men and the military commanders and the rich and the mighty and everyone—slave and free—hid themselves in the caves and among the rocks of the mountains.

Rev 6.15-17 And they tell the mountains and the rocks, “Fall on us, and hide us from the face of the One seated on the throne and from **the wrath of the Lamb**. For the great day of their wrath has come, and who is able to stand? [People who neglect salvation.]

2 Cor 5.11-21 So it is with the **fear of the Lord before us** that we try to persuade people... If we are insane, it is for God's sake; and if we are sane, it is for your sake. For the Messiah's love has hold of us, because we are convinced that one man died on behalf of all mankind (which implies that all mankind was already dead),

2 Cor 5.11-21 and that he died on behalf of all in order that those who live **should not live any longer for themselves but for the one who on their behalf died and was raised.** So from now on, we do not look at anyone from a worldly viewpoint. Therefore, if anyone is united with the Messiah,

2 Cor 5.11-21 he is a new creation —
the old has passed; look, what has
come is fresh and new! And it is all
from God, who through the
Messiah has reconciled us to
himself and has **given us the work
of that reconciliation**, which is that
God in the Messiah was
reconciling mankind to himself, not
counting their sins against them,

2 Cor 5.11-21 and entrusting to us the message of reconciliation. Therefore **we are ambassadors of the Messiah**; in effect, God is making his appeal through us. What we do is appeal on behalf of the Messiah, “Be reconciled to God! God made this sinless man be a sin offering on our behalf, so that in union with him we might fully share in God’s righteousness.”

1. Therefore
2. More careful heed
3. Not drift away
4. Through angels?
5. Ignore deliverance
6. **GREAT deliverance.**

MJ 2.1-4 ...**such a great deliverance?** This deliverance, which was first declared by the Lord, was confirmed to us by those who heard him;

MJ 2.1-4 while God also bore witness to it with various signs, wonders and miracles, and with gifts of the Ruakh HaKodesh which he distributed as he chose.

**Stern: The deliverance [is]
called great because it spares
us the terrible condemnation we
richly deserve.**

Great deliverance because

1. The Divine Person Who accomplished it.

2. The completeness of **forgiveness** from all sin.

3. from the eternal penalty.

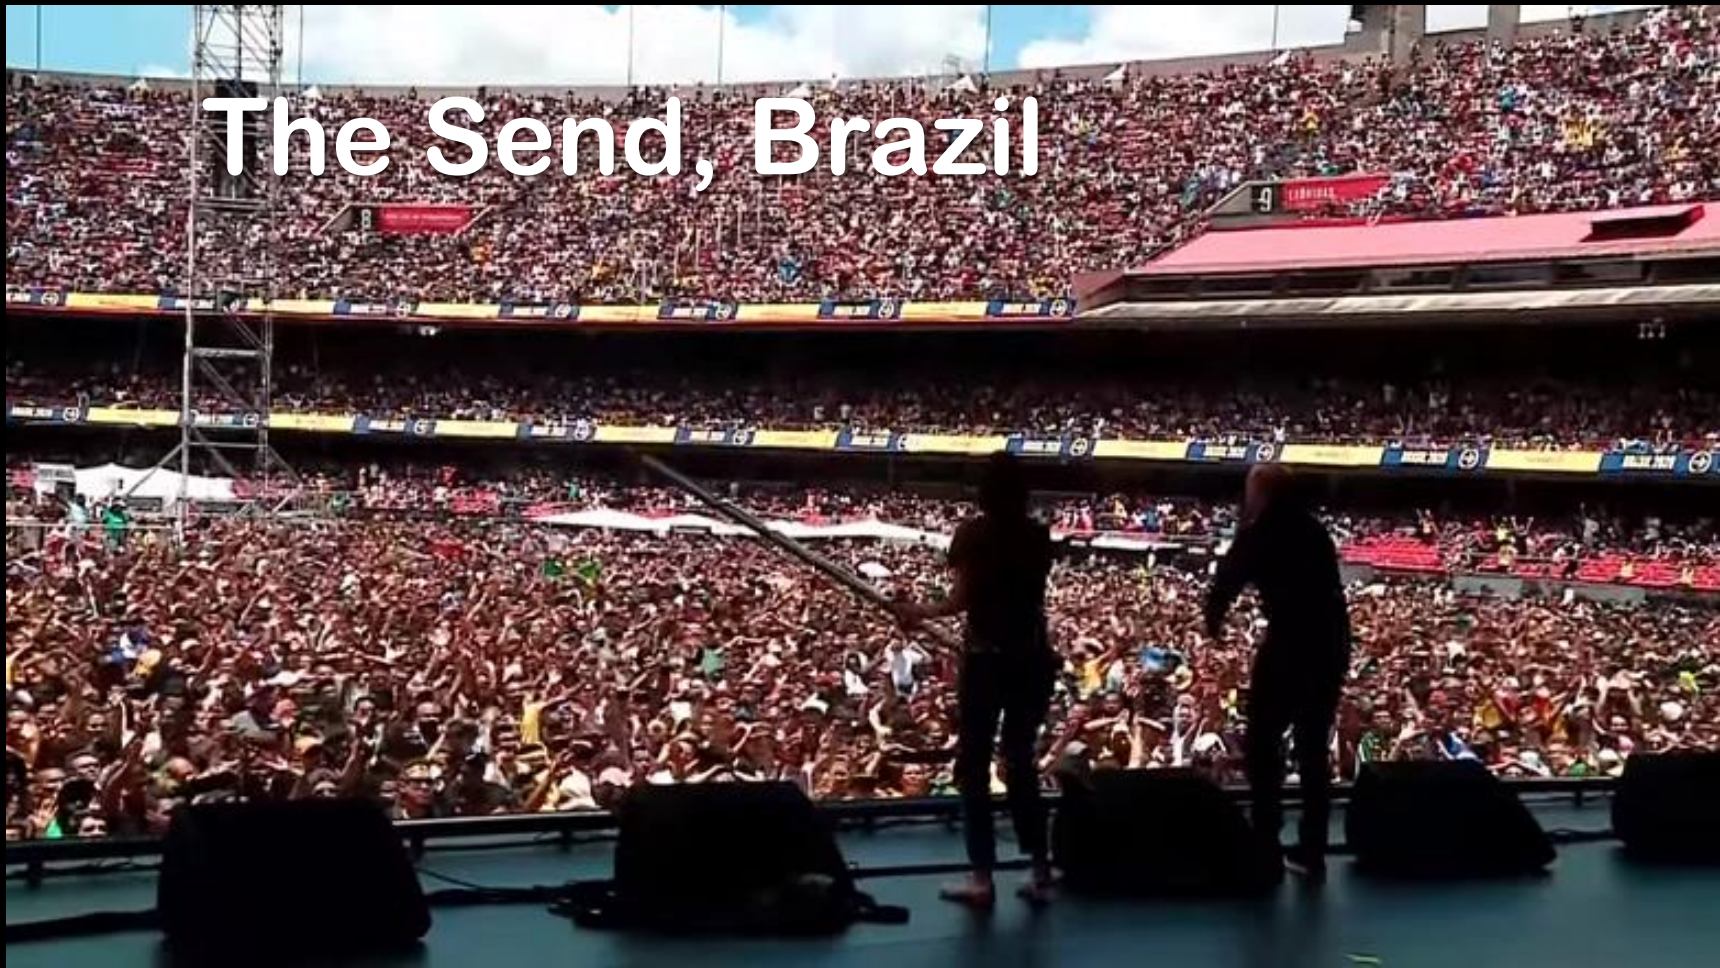

4. The gloriousness of the inheritance.

5. The great power of it's transformation.

Three stadiums were needed to hold the people coming together to worship Messiah and then go out into the world to spread the Gospel this past weekend.

Organizers of *The Send Brazil* say that 140,000 people packed into three stadiums throughout the country on Saturday. Speakers and worship groups from around the world took part in the 12-hour event, and over 2 million people watched the live streams.

So happy we got to show love of God today.

On the other hand, regions that neglect or oppose salvation and Messiah...

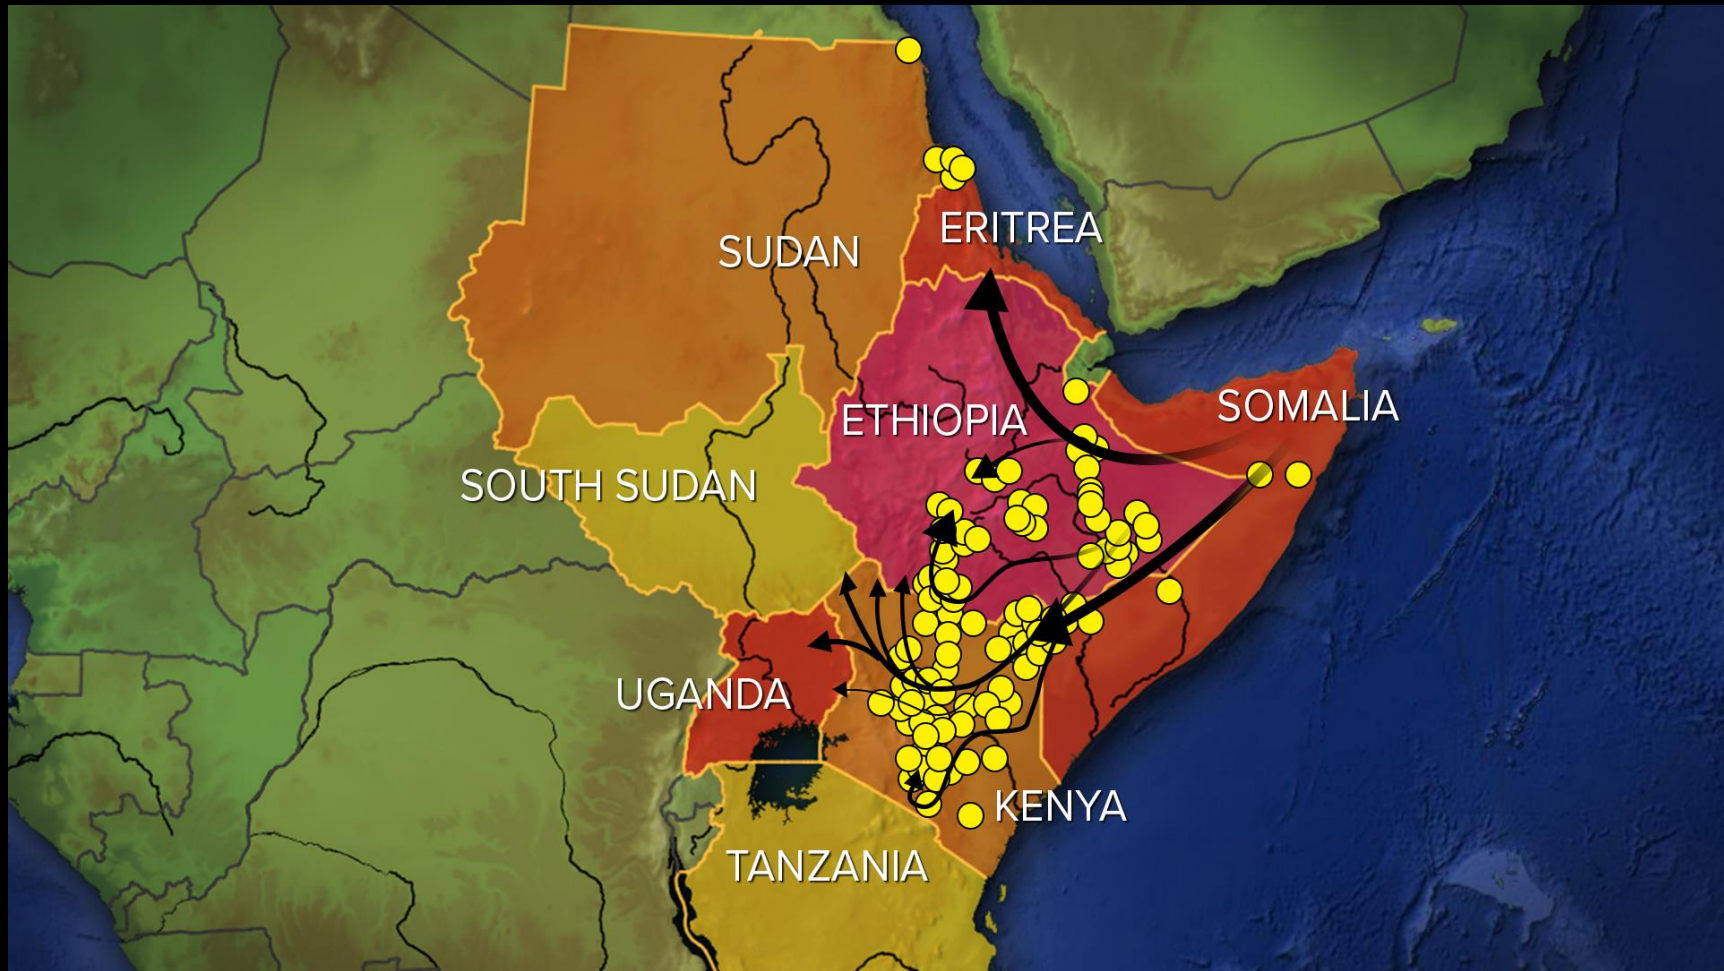

“Off the coast of Yemen and Oman there is a desert region with no water and last year they got hit by torrential rainfall then had two cyclones hit that very region,” CBN foreign correspondent George Thomas said of the swarm's move eastward. “This is very unusual and those conditions gave rise and allowed these locusts to multiply by the millions.”

Christian aid groups, along with pesticide-wielding UN troops, are deploying to eastern Africa to fight a locust swarm that experts say is the worst to hit the region in 70 years and could grow by 500 times between now and June.

Swarms 250 times the size of a football field are able in a single day to eat "the same amount of food as the entire population of Kenya," according to Keith Cressman of the UN's Food and Agriculture Organization (FAO).

Three of the countries affected are in the top ten nations where Christian persecution is the worst, according to Open Doors USA's 2020 World Watch List.

Summary of all:

8.1-2 Here is the whole point of what we have been saying: we do have just such a cohen gadol as has been described. And he does sit at the right hand of HaG'dulah in heaven. There he serves in the Holy Place, that is, in the true Tent of Meeting, the one erected not by human beings but by ADONI.
