Sylvia Cohn Shekel Campaign

At about 85, Sylvia Cohn gave us our unsolicited FIRST dollar to buy a building!

- We purchased this building for \$650,000 on June 13, 2016.
- \$130,000 down
- mortgaged \$520,000
- Mar 31, 2019 owing \$431,271⁵³

IF we grow more, we have nowhere to accommodate new people, except to go to a second service...maybe!

Or HaOlam will have its Silver Anniversary on Purim, 2020. The Rabbi and Elders / Z'kenim propose we RETIRE, pay off, the current mortgage of \$431,271 by Purim 2020!

We have \$9976 left in our building fund. We will apply that money.

We just finished the Dave Ramsey course, and learned that debt is a curse.

MishleiProv 27.7 **"The rich rule over the poor, the borrower is a slave to the lender."**

Ro 13.8 **Let no debt remain outstanding, except the continuing debt to love one another, for whoever loves others has fulfilled the law.**

With G-d's help, I will pledge \$ _____ to be paid on or before Purim, 2020, which is Mar. 10, 2020

I would like to buy a leaf with the dedicatory words _____

Bronze \$250 – 499

Silver \$500 – 999

Gold \$1000 +

By _____ Date _____

Pray about making a mortgage retirement pledge commitment by Shavuot, June 8.

Mother's Day 5779 2019

The beginning of Motherhood

Beresheet/Gen 3.20 The man called his wife Havah [Eve] [life], because she was the mother of all living.

וַיִּקְרָא הָאָדָם שֵׁם אִשְׁתּוֹ חַוָּה׃ כִּי
הוּא הִיְתָה, אִם כָּל-חַי׃

Motherhood = source of **life**.

Two possible roots to Khava:
Khayah חיה and Khavah חוה.

Modern Hebrew words structurally related to Khavah summary:

1.To give life

2.To experience,

3.To pronounce, express opinion,

4.To farm

from “Khayah, to live”

Adam’s prophetic word of what she would be; that he and his wife should not die immediately for the offence they had committed, but **should live and propagate** their species, as well as be partakers of spiritual and eternal life, from her.

She would also be the mother of Him that should bring life and immortality to light. Previous verse:

Beresheet/Gen 3.14-15 ADONI Elohim said to the serpent...“Because you did this, I will put animosity between you and the woman—between your seed and her seed. He will crush your head, and you will crush his heel.

**Ro. 16.20 Now the God of shalom
will soon crush satan under your
feet. May the grace of our
Lord Yeshua be with you.**

**This message practical/
relational, but theological/
spiritual underpinnings is
Atonement of Messiah.**

It appears that her being seduced by the serpent, and of drawing him into the transgression, did not alienate his affection from her; since her seed was to break the serpent's head, and procure life and salvation for them.

Khavah, motherhood = the honorable SOURCE of physical life, experiencing life, proclaiming life:

- 2. Honor in heeding her words.**
- 3. Honor for experiential creativity.**
- 4. Honor for protecting life: combat.**

Warrior Princesses

Shoftim / Ju 4.1-8 But after Ehud had died, the people of Isra'el again did what was evil from Adonai's perspective. So Adonai handed them over to Yavin king of Kena'an. He ruled from Hatzor.

Shoftim / Ju 4.1-8 The people of Isra'el cried out to Adonai, because he had 900 iron chariots, and for twenty years he cruelly oppressed the people of Isra'el. Now D'vorah, a woman and a prophet, the wife of Lapidot, was judging Isra'el at that time...and the people of Isra'el would come to her for judgment.

Shoftim / Ju 4.1-8 She sent for Barak the son of Avino'am, from Kedesh in Naftali, and said to him: "Adonai has given you this order: 'Go, march to Mount Tavor, and take with you 10,000 men from the people of Naftali and Z'vulun... Barak answered her: "If you go with me, I'll go; but if you won't go with me, I won't go."

Yay! She rescues herself! I loved the rest of the movie but this is what made it top of the list of romantic movies for me.

Hollywood, give us more damsels in distress saving themselves, please.

I love that Danielle is brave and resourceful while still being allowed to be kind, gentle and at times vulnerable. I feel like most directors think 'strong' women have to be hard and tough-talking at all times, which is so far removed from reality that it makes me cringe when I see it.

Another warrior mother.

1 Shmuel 1.11-12 Then she took a vow; she said, “ADONI-Tzva’ot, if you will notice how humiliated your servant is, if you will remember me and not forget your servant but will **give your servant a male child**, then I will give him to ADONI for as long as he lives; and no razor will ever come on his head.” **She prayed for a long time before ADONI.**

In a recent poll by *ChristianMingle.com*, single believers between the ages of 18 and 59 were asked, if, given the opportunity, would they have **sex before marriage**. A whopping **63%** stated that they **would**. How can that be? Is this protecting/ honoring women, future mothers?

Warrior Protective Parents called Liberty Counsel recently with an urgent plea for help. They had just found out that the public school where their daughter attended hid from them the fact that the school referred their daughter for "gender-transition" hormone blocking pills.

Not only was there no parental consent -- the parents were not even informed!

But it gets worse...

When the parents discovered what was going on behind their backs,

they stepped in to protect their daughter. They stopped the hormone "therapy" and other "gender altering" measures (hormone and surgery) that were being considered. Now, the local officials are raising a claim of child abuse against the parents!
