

PASSOVER WHOLE WHEAT MATZO

preheat oven to 450°F.

To qualify for Passover use, no more than 18 minutes may elapse from the time flour is moistened, to being placed in oven to bake.

4 C. whole wheat flour
1½ C. very cold water

Work quickly: Mix flour & very cold water with wooden spoon. Dust hands with flour & knead lightly for 3 minutes. Divide into 16 balls.

Roll out balls on parchment paper to make flat round crackers 1/16" thick. Prick with fork tines. Place on baking sheets and bake for 4-5 min. or until golden. Remove cookie pan from oven & immediately remove matzot. Let matzot cool. Place in basket and cover with cloth to retain crispness. Serve with soups & cheese spreads.
