

Assistant in Life Sciences At Bar Ilan U, Tel Aviv Margalit Bergman, Research

As reported by The Jerusalem Post's Ben Hartman, on Wednesday night, Margalit Bergman had been eating at the Benedict restaurant in the Sarona Market with a group of friends, when she saw two "wealthy Italian- looking businessmen in fancy suits and skinny ties" sitting in the common dinning area. These innocent-looking men turned out to be Palestinians out to commit mass murder, who opened fire.

On Thursday morning, "traumatized and shaking off the sleeping pills she took the night before," as Hartman put it, Bergman returned to the scene of the crime and to the very same table where she sat the night before. It was her way of overcoming her fear.

Bergman was not alone in her refusal to cave in to terrorism. MKs Tzipi Livni and Shelly Yacimovich could be seen Thursday sitting at one of the tables drinking and talking. [Knesset parliamentarians] "What Tel Avivians are doing is important. The terrorists lose when they see that people are enjoying life. We can tell the terrorists that we are not afraid of them," he said.

Mattityahu (Matthew) 12:114-15a

But the *P'rushim* went out and began plotting how they might do away with Yeshua. Aware of this, he left that area.

אַדְּ רַבִּים הְלְכוּ אַחֲרָיוֹ. הוּא רְפֵּא אֶתּ בָּלְם; וְהִזְּהִיר אוֹתָם שֶׁלֹא יְגַלוּ אוֹתוֹ,

Many people followed him; and he healed them all; but warned them not to make him known.

This was to fulfill what had been spoken through Yesha'yahu the prophet,

״הֵן עַבְדִּי אֶתְמָדְּ-בּוֹ, בְּחִירִי רָצְתָה נַבְשִׁי. נָתַתִּנִי רוּחִי עָלְיוּ, מִשְׁפְּט לַגּוֹיִם יוֹצִיא

"Here is my servant, whom I have chosen, my beloved, with whom I am well pleased; I will put my Spirit on him, and he will announce justice to the Gentiles.

לא יצעק ולא ישא ולא-ישמיע בחוץ קולו.

He will not fight or shout, no one will hear his voice in the streets;

nasa to bear, to carry; to deliver לְּשָׂא (a speech, address, prayer); to suffer, to tolerate

Essence of fatherhood: giver

² Cor 12.14-15 Look, I am ready this third time to come and visit you; and I will not be a burden to you; for it is not what you own that I want, but you! Children are not supposed to save up for their parents, but parents for their children. And as for me, I will most gladly spend everything I have and be spent myself too for your sakes.

For a child is born to us, a son is given to us; dominion will rest on his shoulders, and he will be named

פֶּלֶא יוֹעֵץ, אֵל גִּבּוֹר, אֲבִי-עַד, שַׁר-שְׁלוֹם.

Prophetic role of Messiah: Yeshayahu/Is 9.5-6 in order to extend the dominion and perpetuate the peace of the throne and kingdom of David, to secure it and sustain it through justice and righteousness henceforth and forever. The zeal of ADONAL Tzva'ot will accomplish this.

According to the Life Model, 5 stages of life

- 1.Infant, birth till 3, learns to live in joy, trusting good adults to meet his unarticulated needs
- 2. Child, 4 thru 12, asks for needs, takes some responsibility
- 3.Adult, 13 till birth 1st child, cares for self and others

- 4. Parent, birth 1st child till empty nest, protects, serves, enjoys family without expecting to be taken care of.
- Disclaimer, not meant to be injurious:
- for single men, childless men, fatherless men, estranged children. Spirit of fatherhood for all, since G-d is the preeminent Father.

- Amazing revelation when were told that we've conceived a child.
- [story dentist and in vitro]
- A father gives life: wonderful and fearsome
- Do men want children?
- Yes and no, depends on if they mastered the first three levels...

10 Traits of Effective Dads:

They realize that their manhood and fatherhood are directly tied to their relationship with God. This means time in God's Word, time in prayer and time with God's people is an essential part of their lives.

It's only by the applied atoning blood of Messiah that we can rise through the levels.

If married, they uphold their wives as their number one friend and coworker in life. They realize that loving their wives is one of the greatest things they could ever give their kids and they protect their marriage like it's their life.

They practice the discipline of meekness. They exemplify the combination of humility and strength. Men need to be strong for their families not at their families. These great dads get this idea well. In these homes, yelling and abuse of any kind is never tolerated.

They've tied their hearts to the hearts of their children. There is a very special God-given bond that they cherish and cultivate on a daily basis. This means they are always looking to create heart-moments with their kids, especially when it comes to sharing God's love and truth with them.

They honor their child's gender and unique giftedness. They raise their sons to be men and their daughters to become women. There is a difference and a good father knows how to engage both his sons and daughters. When most dads pull back during the adolescent years, these astute men mentor and engage at an even deeper level.

They are great listeners and make themselves available for those "by the way" teaching moments and conversations with their children (Deut. 6:5-7) They make their children feel special and believe in them. I thought this quote by the late Jim Valvano is very fitting: "My father gave me the greatest gift anyone could give another person, he believed in me." Great dads believe in their kids and their kids know how special they are.

Mercy and grace are a part of their households. As sinners, these men know that we will always be dealing with offenses and trip-ups. This makes mercy and grace two of their strongest relationship allies. A saying we often come back to is, "forgiven and forgiving." In this regards, they take the lead in admitting when they are wrong and asking for forgiveness.

Tools for the trade (chorus)

If you are a father, you are a builder And your children will become what you've made

Please do your best and please don't forget

God gave you the tools for the trade

He gave you eyes to see where your child might go wrong
And feet to lead them safely through
Hands to hold their hands
And lips to say "i love you"

(repeat chorus)

He gave you arms to hold them
When they are afraid
And time to wait until they're calm
Ears to hear between their lines
And tears to cry when they're gone

(bridge)

And your knees are for playing
And they're also for praying
That G-d will watch over the child
And in those times when you can't
say it

But they still need to hear it You can say "I love you" with your smile

If you are a father, you are a builder And your children will become what you've made Please do your best And please don't forget G-d gave you the tools for the trade
