The Doomsday Clock was first created in 1947 as a metaphorical countdown to the end of the world as we know it. Upon its unveiling in 1947, the clock was **seven minutes** to midnight. Since that time, it has moved back and forth a total of 24 different times.

Adjusted every January upon review by scientists from the Bulletin of the Atomic Scientists.

This is the closest the clock has ever been to reaching the dreaded midnight. This marks a 10-second change compared to 2022 when the Doomsday Clock was set at 100 seconds to

midnight. The change was largely due to the Russian invasion of Ukraine and the subsequently increased possibility of **nuclear** war.

Don't you understand what I'm trying to say?
 Can't you **feel the fear** that I'm feeling today?
 If the button is pushed, there's no running away
 There'll be no one to save with the world in a grave
 Take a look around you boy, **it's bound to scare you, boy**
 But you tell me over and over and over again, my friend
 Ah, you don't believe we're on the eve of destruction.

Dr. David Jeremiah shares 7 biblical principles to prepare for a 2023 recession

1. Decide to trust in Adoni.

Psalm 37:3 **"Trust in Adoni, and do good; dwell in the land, and practice faithfulness." Trust is not an emotion, it's a decision you have to make within yourself.**

[If fear is in the mix, no way to move forward. Fear is paralyzing.

Messianic Judaism is obedience to a lifestyle of Torah. Not feeling.

Worship is the act. Avodah = work = worship.]

Iyov/Job 3.25-26 **What I feared has come upon me; what I dreaded has happened to me. I have no peace, no quietness; I have no rest, but only turmoil.**

T'hilim/Ps 34.9-10 **Fear Adoni, His holy people, For those who fear Him lack nothing. Young lions may lack, and go hungry, but those who seek Adoni want for no good thing.**

Yeshayahu/Is 12.2 **Behold, God is my salvation! I will trust and will not be afraid. For Adoni is my strength and my song. He also has become my salvation."** *[Incredible promise ... but a decision.]*

T'hilim/Ps 56.3-4 **When I am afraid, I put my trust in you. In God, whose word I praise—in God I trust and am not afraid. What can mere mortals do to me?** *[Chris Coursey "Joy Starts Here" weekend]*

2. Do things that honor Adoni. Instead of sitting home and worrying about what you're losing, spend your time giving. It takes the enemy by surprise. *[Fear of loss paralyzes us.]*

Go to hospital. Go to outreach.

Mtt 28 19-20 **Therefore, go and make people from all nations into talmidim, immersing them into the reality of the Father, the Son and the Ruach HaKodesh, and teaching them to obey everything that I have commanded you. And remember! I will be with you always, yes, even until the end of the age."** Even thinking about serving someone else increase endorphins.

3. **Dwell** on the faithfulness of Adoni.

Ps. 43 2-5 **Why** do I go about gloomy because of the oppression of the enemy? Send forth Your light and Your truth — let them guide me. Let them bring me to Your holy mountain and to Your dwelling places. Then **I will come to the altar of God, to the God of my exceeding joy**, [Amazing phrase. Consider the Hebrew ...]

4. **Delight yourself in Adoni.**

T'hilim/Ps 37:4 **Delight yourself in Adoni, and He will give you the desires of your heart.**

[Approaching March of Remembrance and friendly eviction from 74th St. facility, time of fear. **CHOSE to trust.**

MJ/Heb 13.15 Through Yeshua then, let us continually offer up to God a **sacrifice of praise** — the fruit of lips giving thanks to His name. Sometimes praise hurts.

5. **Dedicate your life to Adoni.**

Psalm 37:5 **"Commit your way to ADONI; trust also in Him, and He will bring it to pass."** In these hard moments you go back to the simplicity of your faith, the purpose of why you have faith in the first place.

Mtt 8.23-27 As He got into the boat, His disciples followed Him. Suddenly a great storm arose on the sea, so that the boat was being covered by the waves. But Yeshua kept on sleeping. So they came and woke Him up, saying, "Master, save us! We're perishing!" He said to them, "Why are you afraid, **O you of little faith?**" Then He got up and rebuked the winds and the sea, and it became totally calm. The men were amazed, saying, "What kind of person is this? Even the winds and the sea obey Him!"

[They'd never been in a storm before. We've never been in these circumstances before. **Little faith.**]

6. **Upload your worry to Adoni.**

T'hilim/Psalm 37:7 **"Rest in Adoni, and wait patiently for Him; do not fret because of those who prosper in their way, because of those who make wicked schemes."**

Worry is fearing the future. The Bible reminds us that tomorrow has enough problems of its own and to focus on the day you are living in.

[We are to live one day at a time. Daily faith. Hourly faith. Minute by minute. Don't live in the unlive future. Day tight compartments.]

Mtt 6.31-34 “Therefore do not worry, saying, ‘What will we eat?’ or ‘What will we drink?’ or ‘What will we wear?’ For the pagans eagerly pursue all these things; yet your Father in heaven knows that you need all these. But seek first the kingdom of God and His righteousness, and all these things shall be added to you. Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own.”

T'hillim 118.24 This is **the day** that Adoni has made!

Let us **rejoice and be glad** in it!

[Same as Ps 43. “We will spin and rejoice.”]

7. Discipline yourself to wait on

Adoni. "Waiting is purifying. Waiting produces patience. Waiting reminds you that while you live in a time zone, Almighty God does not." God allows time between hearing His promises for our life and watching them come to pass, to deepen our trust in Him.

[Wait: go out to eat, wait for table, menu, food, dessert, check. And the server is called the waiter.]

Discipline yourself

The Nazis instituted Extermination Camps because killing civilians by bullets was giving PTSD to the soldiers!

Yermiyahu/Jer 31.34-35 **Thus says Adoni, who gives the sun as a light by day and the fixed order of the moon and the stars as a light by night, who stirs up the sea so its waves roar, Adoni-Tzva'ot is His Name: "Only if this fixed order departs from before Me" —it is a declaration of Adoni— "then also might Israel's offspring cease from being a nation before Me—for all time."**

The Trend

A survey conducted by the American Enterprise Institute showed that overall the number of Americans who never attend worship rose from 25% to 33%, but among liberals and those under 30, that number leapt from 30% to almost 45%.

The large drop among not just people under 30, but also those who have never been married, from rarely attending to never could be a harbinger of lasting change. People in their 20s, who don't have kids, have always tended to stray from observance, but often

come back as they get older or feel a desire to bring their children into their faith.

Exceptions and Consequences

Some congregations are bucking this trend – and in fact seeing many more worshipers. More traditional congregations are experiencing significant growth - counterintuitively, communities that demand more of their members tend to be much more stable than watered down or popularized sects. **Biblically based congregations are growing!**

Trends are not set in stone. The United States has had several periods of religious revival in its history in the 19th and 20th Century and we could be on the verge of another.

This is not to belittle those who are in single parent circumstances, but to encourage young adults to live pure then marry wisely, and married people to
