Give to Caesar what belongs to Caesar. And give to God what belongs to God!

[Loch Ness monster? Nessie?]

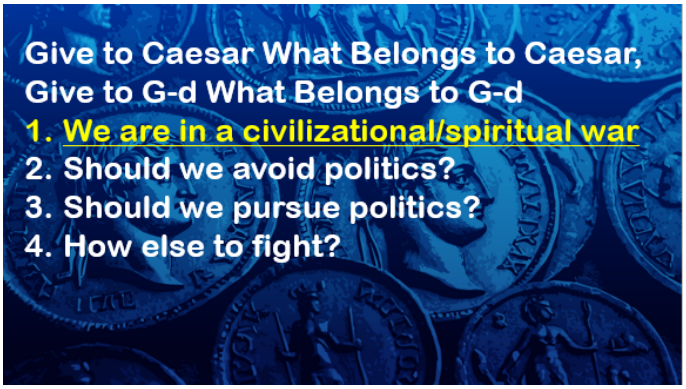

[from Ben Troyer]

Tuesday, November 3, 2026 is the mid-term election day.

So what? Blood of martyrs, seed of faith.
We could live or die that way.
NOT so.
Often, monotone pagan. Islamic Middle East.

<u>First</u>: <u>Democrat Senate candidate</u> James Talarico says he is “a Christian who hates Christianity.” He told the Texas House that God’s gender is "nonbinary." The majority of the members of the “church” he attends are “atheists or agnostic.”

On Joe Rogan's show, Talarico argued that the Bible demands a "pro-choice" stance on abortion. His platform calls for federal legislation to codify Roe v. Wade to make abortion permanent nationwide. Talarico also said, "our trans community needs abortion care too."

Talarico even outrageously claimed that abortion and marriage are "two issues that Messiah never talked about."

He described orthodox Christian institutions as oppressive while championing radical class warfare and the redistribution of wealth.

His rhetoric sets out an alarming <u>socialist vision for America's future</u>.
In his speeches, Talarico targets the free market, calling capitalism an “oppressive system” that must be “dismantled.”

This may be the future of America. Easy to live and share about Yeshua?]

1 Tim 2.1-5 First of all, then, I counsel that petitions, prayers, intercessions and thanksgivings be made for all human beings, including kings and all in positions of prominence; so that we may lead quiet and peaceful lives, being godly and upright in everything. This is what God, our Deliverer, regards as good; this is what meets his approval. He wants all humanity to be delivered and come to full knowledge of the truth. For God is one;[a] and there is but one Mediator between God and humanity, Yeshua the Messiah.

<u>Second</u>: Senator James Lankford (R-Okla.) could barely contain his emotion after one of these votes. "This is literally if an abortion is carried out. But the abortion, instead of destroying the child in the womb, the child is actually delivered. What do you do in that case where a child is actually delivered?

They're literally crying and breathing on the table in front of you. Now you have a fully delivered child in front of you. Do they get medical care or not? This seems like a no-brainer." And yet, "painfully," he continued, "Democrats said no. … I think that's abhorrent."

Incredibly, every single Democratic senator voted no to giving newborn survivors medical care in 2025. In fact, all but one Democrat in the entire Congress — Rep. Henry Cuellar (D-Texas) — refused to agree that a child crying on the table deserves to live.

<u>Third</u>: French President Emmanuel Macron called Israeli Prime Minister Benjamin Netanyahu on Oct. 7, 2023, to push for an immediate ceasefire while Hamas terrorists were still inside Israeli communities, Netanyahu told Israel's Channel 14 television in an interview set for full release on Tuesday.

Macron told him the deadliest single-day massacre of Jews since the Holocaust should be stopped "by diplomacy," Netanyahu said.

"No, Emmanuel. It's not going to be solved by diplomacy," he said he replied. "These are monsters. These are neo-Nazis." Netanyahu said he told the French leader at the time that Hamas is "even worse than ISIS" and warned: "If we don't stop Hamas here, you'll see them on the streets of Paris."

<u>Fourth</u>: A new report from the Office of the Comptroller of the Currency found that America's nine largest banks maintained policies that restricted financial services based on customers' religious beliefs, political views, or otherwise lawful activities.

Even more troubling, banks referenced designations from the Southern Poverty Law Center (SPLC), an organization that has labeled Christian and conservative organizations as hate groups. ***[FRC Action***

Mt 26.52-54 Yeshua said to him, "Put your sword back where it belongs, for everyone who uses the sword will die by the sword. Don't you know that I can ask my Father, and he will instantly provide more than a dozen legions [1 legion = 6000 soldiers = 72,000] of angels to help me?

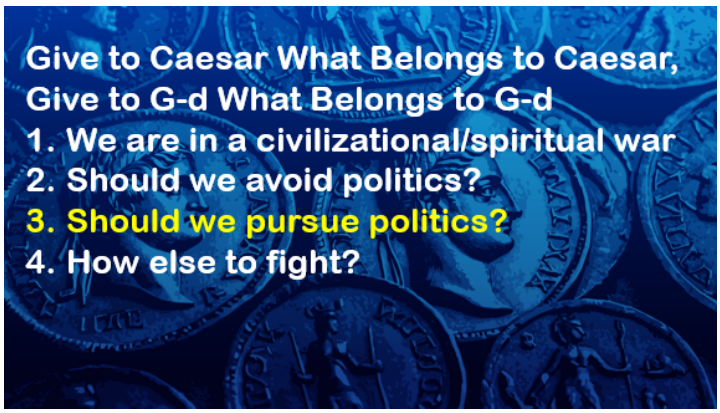

2 Cor 10.4-5 For the weapons of our warfare are not fleshly but powerful through God for the tearing down of strongholds. We are tearing down false arguments and every high-minded thing that exalts itself against the knowledge of God. We are taking every thought captive to the obedience of Messiah.

Politics = poly [many] tics [blood suckers]

Really?

Tuesday, November 3, 2026 is the mid-term election day.

Rob McCoy was senior pastor at Godspeak Calvary Chapel in Thousand Oaks, CA for more than twenty-five years.
He has also served on the Thousand Oaks City Council and was mayor from 2018 to 2019.
He was Charlie Kirk's pastor, officiated at Charlie's and Erika's wedding
He holds a B.A. in history from California State University, Fresno, and pastoral training from Mennonite Brethren Biblical Seminary. McCoy previously worked in management roles at Unilever before entering ministry.

[Story of his and Charlie's meeting:
I didn't know there was anyone like you: pastor and politician,
I didn't know there was anyone like you: young and conservative.]

- **Politics = poly [many] tics**

or

- **Politics = literally means "the things concerning the πόλις (polis)" the city, the community, Politics is the highest form of community**

Yermiyahu/Jer 29.7 Seek the shalom / welfare of the city where I took you as captives in exile, and pray to Adoni for it—for in its shalom will you have shalom."

In 1692 in Salem, Massachusetts 19 women were convicted of witchcraft and burned or drowned.
Spectral evidence: dream
Increase Mather stopped it with the scriptural mandate: Dvarim/Dt 17.6 The death sentence is to be carried out only if there was testimony from two or three witnesses; he may not be sentenced to death on the testimony of only one witness.
[Pastor Mathers reformed politics with scripture!]

Today there is much condemnation of people by social media reports. Not substantiated witnesses.
[Social media slander of Erika Kirk, Charlie's murder conspiracies, Pastor Rob McCoy himself, Jewish people.]

The United States is a nation built on the Torah, the Decalogue.

- **How many can recite all 10 in order?**
- **Revival vs awakening**
  - **Whitefield, Jonathan Edwards <u>published</u> sermons on civic duty. Ground work for American Revolution.**
  - **20 years before the Revolution in 1776, Rev. Thomas Hooker was teaching John Locke's principles. John Locke believed in natural rights, emphasizing that individuals possess inherent rights to life, liberty, and property.**
  - **Locke argued that governments are formed through the consent of the governed to protect these rights, and if they fail, citizens have the right to revolt against them.**
  - **Yeshayahu/ Is 33.22 For Adoni is our judge, Adoni is our lawgiver, Adoni is our king. He will save us.**

The believing community is NOT head of the government, nor slave to it, but the conscience of the government.

The <u>separation</u> of powers: executive, legislative, judicial, came after 3 days of fasting and prayer. Bi-cameral legislature.
[Ideas formed out of preaching on Locke and civic duties.]

- The term "Black Robe Regiment" referred to the influential clergymen who promoted American independence and supported the military struggle against Britain.
- Abolition of slavery was a clergy inspired movement
- Until 1870's revival associated with Sabbath keeping, honesty in words and business, coveting
- In the 20thC more focus on evangelism than transformation
- Jesus Revolution 1970's coincided with sexual revolution. No society wide transformation / awakening!

[80% of "Christian" women who had abortions did so after making a decision for Messiah]

What about Romans 13?

Ro 13.1-3 Everyone is to obey the governing authorities. For there is no authority that is not from God, and the existing authorities have been placed where they are by God. Therefore, whoever resists the authorities is resisting what God has instituted; and those who resist will bring judgment on themselves. For rulers are **no terror to good conduct, but to bad**. Would you like to be unafraid of the person in authority? Then simply **do what is good**, and you will win his approval …

[We are to submit to authorities that do good!]

- Is it good to give hormone blockers to minors, and that without parental knowledge?
- Is it good to allow the irreversible mutilation of 15-year-olds such as Chloe Cole? (then suicidal)
- Is it good to allow Riley Gaines to lose her swim meet?

[And most congregations will NOT allow Chloe Cole or Riley Gaines to speak!]

kā·mō·w·ḵā;	lə·rê·ʿă·ḵā	wə·ʾā·haḇ·tā
כָּמ֖וֹךָ	לְרֵעֶ֑ךָ	וְאָהַבְתָּ
as yourself	your neighbor	and you shall love

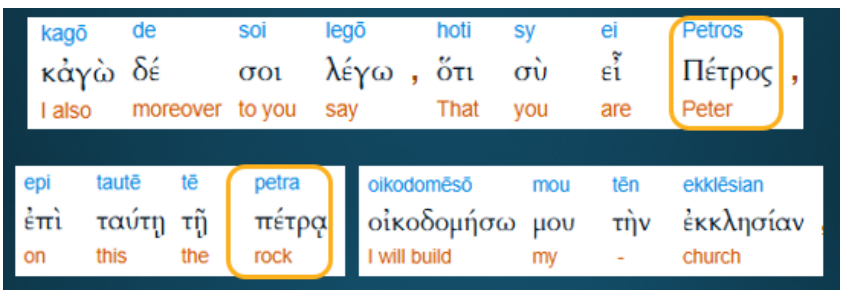

Is it loving your neighbor to allow the above plus loss of bathroom privacy, plus distribution of abortifacient medicines?

Mt 16.5-7 The talmidim, in crossing to the other side of the lake, had forgotten to bring any bread. So when Yeshua said to them, "Watch out! Guard yourselves against the hametz of the P'rushim and Tz'dukim," they thought he said it because they hadn't brought bread.

Mt 16.11-12 How can you possibly think I was talking to you about bread? Guard yourselves from the hametz of the P'rushim and Tz'dukim!" Then they understood — they were to guard themselves not from yeast for bread but from **the teaching of the P'rushim and Tz'dukim**.

Mt 16.13,18 When Yeshua came into the territory around Caesarea Philippi, he asked his talmidim, "Who are people saying the Son of Man is?"… I also tell you this: you are **Kefa," [which means 'Rock,']** "and on **this rock** I will build my Community, and the gates of Sh'ol will not overcome it.

[Beautiful place, headwaters of Yarden/Jordan, Bacchus, nudity]

NOT "build my church." Tyndale first to correctly translate it and hung for it.

"On this rock I'll build **my City Hall, my polis**, my kehilah."

[King James, and all British kings, were head of the Anglican Church, and wanted his authority over the church enforced. This translation says that the believers are the conscience to the building of the City.]

Mt 10.34-36 Don't suppose that I have come to bring peace to the Land. It is not peace I have come to bring, but a sword! For I have come to set a man against his father, a daughter against her mother, a daughter-in-law against her mother-in-law, so that a man's enemies will be the members of his own household.

2 Cor 10.4-5 the weapons we use to wage war are not worldly. On the contrary, they have God's power for demolishing strongholds. We demolish arguments and every arrogance that raises itself up against the knowledge of God; we take every thought captive and make it obey the Messiah.

If we don't use words now to assert righteousness, we will pay.
You can vote socialism <u>in</u>, but you have to <u>shoot your way out</u>.

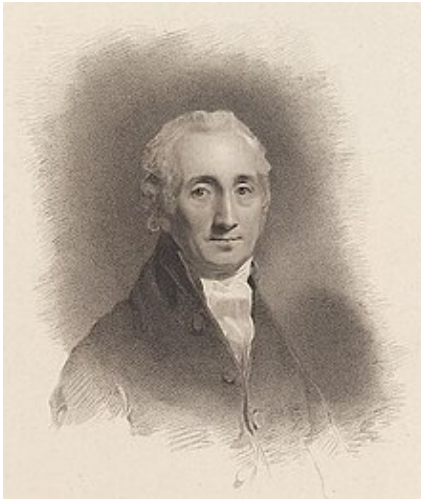

After WW II, North and South Korea both impoverished. North of 38th parallel rich farmland. South had rocky coast, and FREEDOM. Now 8th highest GDP. Guns of N. Korea pointed at own people more than at the South.

Before the Japanese conquest, missionaries brought to Korea medicine, principles of sanitation, seminaries.

Korean pastors stood up to Japanese, so revival after liberation, 1948 independence.
Former House Speaker Newt Gingrich expressed outrage on Fox News: "We are watching our ally in South Korea, which is headed up [now] by basically a pro-communist government, literally and methodically destroying Christianity. It is an astonishing assault."

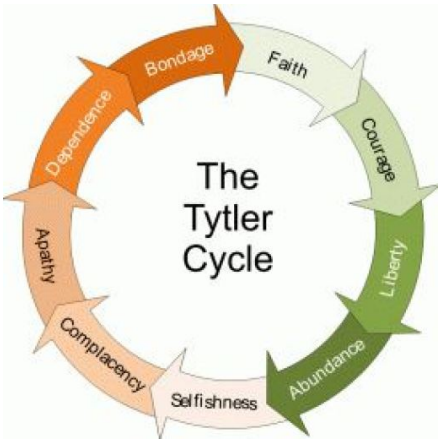

South Korean President Lee Jae-myung is facing mounting international pressure over what critics describe as an unprecedented assault on religious freedom, with conservative Christian leaders detained, churches raided, and proposals to dissolve religious organizations that engage in political activity.

Lee's administration targets conservative religious groups, it has remained silent regarding left-leaning Catholic and Protestant organizations that held "emergency prayer meetings" and issued declarations calling for former President Yoon Suk-yeol's resignation and impeachment.

Alexander Fraser Tytler, Lord Woodhouselee FRSE (1747 –1813) was a Scottish advocate, judge, writer, and historian who was a Professor of Universal History and of Greek and Roman Antiquities at the University of Edinburgh.

Faith, virtue, freedom can break the Tytler cycle. Revival AND awakening.

Avoiding politics = avoiding loving your neighbor in a difficult manner. Fear hindering love?

Rev 21.7-8 He who wins the victory will receive these things, and I will be his God, and he will be my son. <u>But as for the cowardly [fearful]</u>, the untrustworthy, the vile, the murderers, the sexually immoral, those involved with the occult and with drugs, idol-worshippers, and all liars — their destiny is the lake burning with fire and sulfur, the second death."

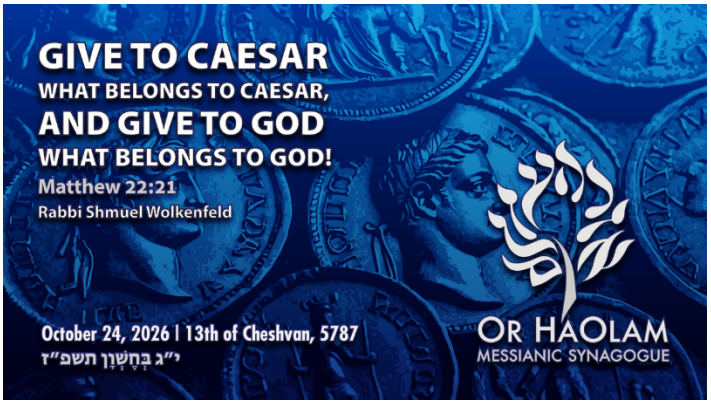

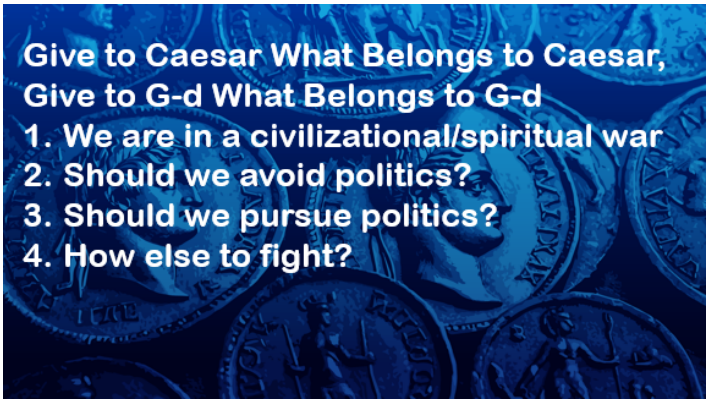

<u>Nov. 14 we will host Emmanuel Mebasser</u>. He is a 5th-generation Jewish believer in Yeshua and the leader of the Online Evangelism Team at Jews for Jesus, Yehudim for Yeshua, based in Los Angeles, California.
Marissa: What advice you give a young man wanting spiritual awakening.
Starfish Lead follow get out of the way. Moses one man plus G-d is a majority.

Story of two boys optimist and pessimist. Room full of toys crying. Room full of manure, laughing Pony here somewhere.
You are immortal till G-d done. Three people said Charlie Kirk died with a smile on his face. Stephen said Yeshua stood to welcome him.

Stand if you are committed to

- **Revival [evangelism] AND**
- **Awakening [changing the polis, the politics, the culture]**
